## ABOUT

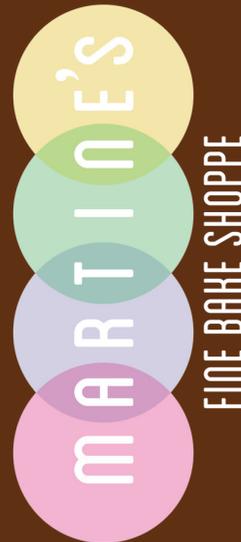

- Martine's Fine Bake Shoppe prides itself on being a small, local, friendly bakery and cafe that welcomes both its daily regulars as well as newcomers from all across Westchester.
- Established in 1975 in the heart of Tuckahoe, a second location has since opened in Scarsdale to spread the fresh bread and sweets.
- In addition to the bakery counter, Martine's offers a range of fresh breads every day, as well as cakes, sandwiches, cookies, coffee, and their signature hot cross buns.
- If you're in the area and you're looking for a quick lunch, a snack for later, bread for the family, a cup of coffee to get you through the day, or a pick-me-up-pastry, feel free to come in.
- If you're planning a birthday, a graduation, an anniversary, a holiday, or a celebration of any sort, call in for fresh made goodies, premade or specially decorated cakes, or anything else you might imagine.
- Whatever you're doing, be sure to stop by!
